To ZBA:

It has come to my attention that the owners of 233 Hillspoint Rd evidently "missed" communicating their building variance request to me, (a small procedural detail,) the neighbor and owner of the property directly across the street at 222 Hillspoint Rd and one of the properties most impacted by this eyesore, out of compliance building project fiasco.

The incompetence on the part of the 233 Hillspoint blue monster property owner and their attorney continues. As I said in my initial email sent during the hearing, they have no regard or concern for their neighbors and other property tax paying citizens of Westport. They are pathetic.

Chris, I truly hope that you and our other RTM representatives will see to it that your neighbors and constituents are protected and these people are held accountable for following P&Z requirements, procedure, and guidelines.

Thank you,

Hal
